

NURSING GROUP

FREE TO HIRE OUR STAFF

You may elect to hire our staff at any time. As a contracting facility you earn the right to hire any of our staff at anytime with no buyout clause, penalties or waiting periods.

THE BEGINNING

The Nursing Group was created by Juan Esparza RN, with the philosophy of providing professional per diem staff for your facility. With 23 years of quality nursing care experience, 19 of them in the staffing industry, he maintains a unique understanding of what it takes to provide your facility with safe effective healthcare professionals.

WEB SOLUTIONS

Our online ordering process gives you the freedom and convenience of order input with the push of a button.

Welcome to the NURSING GROUP

Thank you for this opportunity to introduce our company.

We believe that you should know about our practices and experiences since you will be placing your trust in our ability to provide you with quality healthcare providers.

The care delivered in your facility is a vital element to your reputation. Therefore, great care and judgement is exercised when choosing a professional provider.

The Nursing Group is a proven provider with a reputation for competence and reliability.

Thank you again for allowing us to share this information with you. We hope you will gain valuable insight into what our company can provide for you. We appreciate the opportunity and would sincerely like to earn your business.
